Maternity Hospital, Koti for studying Postgraduate course (PG) in M.D. (Hospital Administration) at Nizam's Institute of Medical Sciences, for three years w.e.f.26.5.2007 as per sub-rule (xii) of rule 11 of A.P. Medical Colleges (Admission to Post Graduate Medical Courses) Rules 1997 issued in the G.Os. 1st and 2nd read above, since Hospital Administration is in shortage category. It was ordered that the period of deputation "shall be subject to the condition that the individual should forego her teaching in the Department of Obstetrics & Gynecology and also execute a bond in the prescribed pro-forma for Rs.20.00 lakhs (Rupees twenty lakhs only) that she would serve the Director of Medical Education Hospitals in suitable posts for a minimum period of 5 years after completion of the said course as per the existing rules. In the event of her leaving the studies in mid-term or in case of her failure to serve the Government for the stipulated period of 5 years after completion of the course, she has to pay the bond amount to Government, including the salary with allowances and stipend received till then".

- 2) In the reference 4th read above, Dr. K. Rajya Lakshmi has represented to the Government to lift the condition of foregoing her past service to maintain her professional growth and consider her as teaching staff only and sanction her pay and allowances for the P.G. course pursued by her in Nizam's Institute of Medical Sciences, for the 3 years by issuing revised orders deleting the condition stipulated in the G.O. 3rd read above that subject to condition that " she should forego her teaching experience in the Dept. of Obstetrics & Gynecology".
- 3) Government after careful examination of the request and observe that Dr. K. Rajya Lakshmi joined A.P. Medical Education Service (APMES) in 1994, after completing MD (OG) and worked as Asst. Professor eversince. In 2007, she was granted PG lien to study in MD (Hospital Administration) in NIMS. Therefore, the suggestion that her deputation to NIMS for studying MD (Hospital Administration) would entail loss of seniority of her entire service as Asst. Prof. of Obstetrics & Gynecology from 1994 to 2007 is not consistent with principles of Natural Justice and the fundamental rights of a Govt. servant that she should not be reduced in rank without following the due process.
